

ALICE Presentation Requirements & Navigation

Requirements:

- This presentation requires internet connection.
 - If you must present at a location without internet, we recommend the use of a hot spot or cell phone hot spot.

Navigation:

- These presentations rely on keyboard navigation. This means that it should also work with most remote clickers.
 - The navigation keys are:
 - Right/Left arrows
 - Up/Down arrows
 - Page Up/Page Down
 - Space
 - Tab
 - Enter

Step by Step Presentation Guide:

1. Log into the ALICE e-Learning Portal at portal.alicetraining.com.
2. Click on the “Resources” Tab.

COURSES RESOURCES MATT ▼

COURSES

The ALICE Training Institute has developed eLearning courses to enable a successful implementation of the ALICE concepts. Below are the course(s) that you ordered or were made available by your organization.

Courses In Progress

- Click on the Instructor sub-folder.

RESOURCES

Browse our library of links and downloadable content related to active shooter response training, legislation, and best practices.

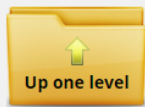

- Click the "Launch" Button on the presentation you need.
