

Glimpse of ALICE Training Institute

ALICE (Alert, Lockdown, Inform, Counter, Evacuate) Training instructor led classes provide preparation and a plan for civilians and organizations such as Police/LE, K-12, Healthcare, Higher-Education, Business, Government, and Houses of Worship on how to more proactively handle the threat of an aggressive intruder or active shooter event. Since the creation of ALICE Training 15 years ago, our vision has been to prepare all citizens by providing knowledge and effective skills so that they may safely respond when shots are fired.
