

# Hosting a Class is as Easy as 1-2-3

Hosting an ALICE Instructor Certification training puts you and your organization in a leadership role with your community. Show your commitment to professional safety and training by hosting a class to empower the attendees, giving them the opportunity to empower others.

Hosting a class is not only good for the community and your organization but Hosts also see a financial benefit with up to five free registrations for their own organization.

**1**

## Pick a Location

You choose a location close to you in your community. The location needs to accommodate a classroom setting, hallway with additional rooms and exit points. This provides space for the hands-on scenarios.

**2**

## Choose a Date

Gauge your community and pick the best dates that work for your community. The dates and time are chosen by you and are posted on our site as well to better facilitate participation and community engagement.

**3**

## Promote the Class

Promoting your training class is simple. We help you every step of the way with templates, press release drafts and access to personalized flyers. We help you create a successful event.
